Art 588 | Page 210

Omit "and menial servants" occurring in line 1 para (b) and insert a new para as follows:—

(c) Inferior servants other than those referred to in art 590 drawing a salary of Rs 12 per mensem and upwards are entitled to a daily allowance of 3as and others to 2as. (A & C No. 29 & 22.3.16.)

16) The addendum gives rise to the following anomaly:—
A non-gazetted officer in superior service on salary Rs 12 would draw a daily allce of 2as while an inferior servant on the same salary would draw annas 3.
To remove this anomaly, the present para (b) art: 588 may be deleted, & the new para (c) inserted by the addendum be made (b) with the addition of "non-gazetted officers" in the beginning

Subd. 19.5.16. The above alleration will not do as it will cover in all non-Gazd officers even those getting 50 or 60 Rs getting 3as. The following may therefore be adopted while 588(b) as amended by Conection Slip no 29 dated 22-3-'16 read substitute "three annas per diem if their pay is not less than Rs 12 and two annas per diem in other cases" for "2 annas per" the concluding portion beginning with '2 annas' in line 4

Submitted to His Highness.

Article 588, Mysore Service Regulations, was recently amended (S. & A. file No.63-15) so as to raise the rates of daily allowance of inferior servants to 3 annas in the case of those getting a pay of Rs.12 and above and 2 annas in the case of others.

2. This has resulted in the anomaly - brought to notice by the Financial Secretary - that officers in superior service whose pay is between Rs.12 and Rs.18-12- and who get a daily allowance equal to 3/10ths of their pay, would get less daily allowance than inferior servant drawing the same pay.

3. The Financial Department propose an amendment to article 588 to remove this anomaly and to provide for the payment to superior servants of the same minimum daily allowance as to inferior servants.

4. The amendment has been agreed to by the Second Member and Extraordinary Member but the First Member questions if it may not be disposed of with the general question.

5. The distinction seems anomalous and it does not seem desirable to allow it to continue.

6. The draft A. & C. slip may be graciously approved.
